TheTutorSystems.com testing parallels an NIC*
level of test questions based on the most widely
used textbooks in order to ensure an even level
of testing across all states.

*NIC: National Interstate Council of State Boards of Cosmetology

Did You Know?

Without focused study, less than 50% pass the
licensing exam on the first try.

The majority of students who fail their state
board exam fall short by less than 10 points!

The Student Tutors provide a simple way for
students to improve their testing skills on the
computer for their cosmetology board written
examinations. Our data bases are based on
core material available in the latest, most
widely used cosmetology textbooks plus the
latest Texas and California Laws & Rules, and
meet the requirements of state and national
cosmetology examinations.
